

# Public Enemy Lyrics

## "Public Enemy Service Announcement #2"

Check this out  
This is Chuck D

And this is Flavor Flav  
And Public Enemy is lettin' y'all know about black history month

February is Black History Month  
But we'd like to say that every single month  
We should recognise the rich culture  
And heritage of black people  
Although the battles have not been won yet  
We should be proud to take some time out this month  
To explore the powerful and victorious lineage of our people

That's right so don't be a vulture  
And learn your culture

PE salutes the history of black people  
And the history that we are yet to make

That's right, not a mistake
